# How to Order

Here are the steps on How to Order your Booklets via email, Facebook, Instagram, Twitter, WhatsApp or by simple text or a phone call.

1. When you have decided on your booklet, simply contact me with your order details & date of your wedding ceremony. I will return supplying you with materials and info you need. **No Stress** is required from here on!  
  
I am extremely active in the wedding industry supplying many services so please note if your enquiry comes in during a weekend, as they are busy throughout the year; it will be into the following week before I get back to you. Thou . . . I'm on WhatsApp if you need me. I will get back promptly from there.
2. When all I need from is received, I will email you a **PDF proof** within a few days. You can print this out to help with your proof reading. If required, hard copy proofs are available. These are subject to a non-refundable charge of a €12.00 per item incl. postage. Please note that although I have created the proofs with the utmost of care mistakes can happen. As a result, the responsibility of the proofing stage is upon you, the customer. Do check all the details of the stationery or invitation: i.e. - spellings, times, dates, etc.  
  
(Please note the proof is for proofing only and is not of the high quality that the finished product will be of).
3. **Approve** your proof by email.
4. **Pay** amount owing on order.
5. Once approved and fully paid your order will be sent to production. I endeavour to have your order delivered to your door within two weeks from signing off on the proof and receiving full payment.
6. Receive your wedding booklet order and you get to tick another task off your list!

## The Finer Details

**Payment:** Without exception, orders will not go into production until the order has been paid in full. Payment can be made by postal orders, bank drafts or bank transfers.

**Approving Your Proofs:** It is the client's absolute responsibility to thoroughly check the details of their proofs to ensure the wording and layout is correct. Production of your order will not begin until I have received your approval by email or text.

**Pricing:** Price lists are subject to change without prior notice. Quotes issued are valid for **1 month only**. A deposit always secures the quotation you receive which is 50% of the total cost of your booklets or cards.

For **rush** orders, a €50 fee is incurred to prioritise your order. I stress you must be available at all times when I wish to reach out to you in order to fulfil your order requirements. I do my extreme best to be available for you if you need to correspond with me. I will not cover the responsibility of any delays during this transaction.

I will endeavour to deliver items as quickly as possible. I am not responsible, however, for delivery delays beyond my control.
